1. One of our most important business clients, Mr. W. H. C. Barron President of the American Distiller Co., San Francisco, California, sends a letter to his son, Mr. W. H. C. Barron, President of the American Distiller Co., San Francisco, California, the purpose of which was to request a service of representation by the attorney for the defense in a suit against the corporation and public prosecutor for obstructing justice in the U.S. The attorney in question was retained for two thousand dollars. Paul Grotto was originally retained and then succeeded by Mr. Grotto, which has never been to work for him, according to our records. Grotto's bill of account for him is as follows:
principal \$1000.00
expenses \$100.00
total \$1100.00
date 10/1/40
 2. Our source in question has been engaged in the public relations business, and was asked for some advice concerning the marriage business and publicity campaign, and much particularly how it can best be worked for Harry for no fee, without fee.
 3. Our source advised that early in 1940 an unidentified individual set up a special account in the Equitable Trust Company, New York City. The purpose of this was to finance the above-named Harry's marriage and publicity campaign. The source was soon approached by a man named G. E. Rice. Rice is an oil and natural gas attorney and partner and has an office at 100 Madison Avenue, between 57th and 58th Streets, New York City, New York. Harry's wife, Dorothy, has been to Grotto at least once, Harry's wife Dorothy has been to Grotto at least once, Grotto has advised Harry's wife Dorothy to come in every Saturday morning at 10:00 A.M. to see him, and to bring him a copy of "The New York Times". When Grotto has seen Harry's wife Dorothy he has told her that she can go to any lawyer she wants, and that she can't depend on Grotto.

4. During the period of 1960-61 the Congress Party had been set up an organization called "People's Commission". The purpose of this organization is to stage joint movements a revolution against caste. The following activities have identified as being carried out by "People's Commission":

a. Douglas P. Hull.--Hull is a lawyer and a partner in the law firm of Levy, Galante, Galantini, and Hull. This firm has its principal office at 14 South Service Plaza, Great Neck (Long Island), New York (Tele. 1D-7-5411), and a branch office in Manhattan (1325 Broadway Avenue) (Tele. CH 3-6570).

b. Mrs. Rose Toffe. --Her source did not further identify Mrs. Toffe. She is, according to another source, a lady who has been involved in running arms to Cuba and other such activities. The other source volunteered this information during the course of a conversation regarding other matters.

5. At about the time that "Pueblo Libre" made its appearance there also appeared on the scene an individual named Jim War, who represents himself as a "retired New England cheese manufacturer now living in Florida". War interpreted himself vociferously in "Pueblo Libre" and at the same time alienated Hull, Taaffe and our sources. In consequence, the "Pueblo Libre" people have never done anything with that corporation, but have let it remain inactive. Their reason for so doing is that they don't trust War and do not wish to get involved with him. In answer to the inquiry as to the reasons for their mistrust of War, the sources stated simply that they have no specific reason, but that they just don't wish to work with him. They don't trust him. Consequently, "Pueblo Libre" has remained a paper organization; no money has been raised through it.

6. Our source stated that Will and Mrs. Poffe both know
HEDLUND, BORGES, AND JENSEN. They are our
"PACIFIC BRANCH". They help organize "Fathers" throughout about
"Puerto Rico". They want the new corporation to be dedicated
to the halting of the spread of Communism throughout the Western
Hemisphere and they want it to have various subcommittees. The

revolutionaries would be organized in several cities. Most surprisingly, these would be composed of both Cuban exiles and the two cell groups and that a coup would be directed solely at Cuba by the United States. It was stated that our agent will approach our government with this proposal, of course, the final purpose of the two organizations is to overthrow Castro. Our source is not members of the Southern Command, he is at the ranks of striking authority tomorrow in their eyes. This would be the main reason for the decision to start about "People's War", which is aimed only towards Cuba.

7. Our source and his friends have everything ready to go, but need money. The source wished to make a start by getting Sanchez, Varela, and Merquez to sign a political alliance and to publicize the said alliance by means of a press conference and subsequent publicity devices. The money, of course, would be used to finance the revolution against Castro.

8. Our source also stated that an individual whom he identified as Charles D. Brown is putting up the money to make a political movie starring Paul Shaffer, Boris Laro, and others. The source told that Brown is affiliated with the American Broadcasting Company.

9. Finally, our source told him that from the effect of the entire affair he has discussed it in detail with Mr. Frank (?) O'Brien, of the Federal Bureau of Investigation, New York City. Mr. O'Brien may be reached at 14-5-7708, Extension 202.

10. We would appreciate MI Division comments regarding any interest in the above proposal. We would like to have some reasonable answer to pass back to our source as to the Agency's position on this suggestion. Please contact Mr. Robert S. Travis, CB/CB, Support Branch, Extension 2140, for further information on this matter.

11. Thanks very much.

Office Memorandum

UNITED STATES GOVERNMENT

TO : Chief, Contact Committee
 FOR : Support Branch
 FROM : Chief, New York Office
 BY : New Haven Resident Agency--John E. Mitchell
 SUBJECT: Possible Political Operation in Cuba

Mr. John E. Mitchell, Jr., of the New Haven Resident Agency, has run across a possible political or a political operation in Cuba. He has a hunch that it is something like the last three months when he was in Mexico City. It is not a definite hunch, but with a different source, on 1-2-67, he did receive information from a reliable source of over 20 years' standing that there was a possibility of possible operations by the Cuban government in Cuba. He has no definite information concerning what kind of operation it would be.

Mitchell feels that what follows could be one of two things. First, it could be part of a political operation which the Cubans have already launched. Mitchell's hunch is it sounds a bit like this. If it is indeed an operation of this type, it will be all right and good. The only comment which Mitchell will make is that the people talk too much. Second, it may be a genuine proposition. Mitchell feels that this, too, could be the case, because he thinks a bit source would not have broached the subject, unless he (the source), at least, were unwilling. In any case, the story follows.

One of Mitchell's cleared sources recently sent him a brochure written by Dr. Gerardo Hernandez Uerling, which will be further identified here. The source enclosed with the brochure a series of reprints from US newspapers dealing with Marquez's activities and public pronouncements since his arrival in the US. The brochure in question demonstrated the ways in which Fidel Castro has apparently violated the Cuban Constitution of 1940, which has never been recalled. (According to Mitchell's understanding) and of which Marquez was the prime author. The source stated in a covering letter that he had been instrumental in Marquez's activities without fee for a period of ten months, two days, and two weeks. Furthermore, according to this source, he helped draft the brochure and the brochure was distributed throughout the United States and Canada against the Cuban government.

The brochure also states that Marquez has been instrumental in the following: 1. The formation of the Cuban Patriotic Union, which is a political party, and which is a communist party. 2. The formation of the Cuban Patriotic Front, which is a military organization, and which is a communist organization. 3. The formation of the Cuban Patriotic Army, which is a military organization, and which is a communist organization. 4. The formation of the Cuban Patriotic Movement, which is a political organization, and which is a communist organization.

SUBJECT: Possible Political Committee Activities

3. The source told Mitchell's source early in 1960 an individual had been set up a special account in his name from which the following amount was paid out. The purpose of this fund was to finance the "Pueblo Libre" campaign against the Cuban Government and publicity campaign. ~~Mitchell's source~~ was the individual who handled the account. This individual was an oil and natural gas millionaire and member of the bar office at the following address: 20 Broad Street, New York, Manhattan (Tel.: DZ-1146). Rice is an oil and natural gas millionaire and member of the bar office at the following address: 20 Broad Street, New York, Manhattan (Tel.: DZ-1146). Rice's role throughout has been to administer the special account mentioned above. The account, incidentally, amounted to US\$7,000. ~~Mitchell's source~~ simply forwarded all bills to Rice, who paid them out of the special fund. When the money ran out, the source's activities on behalf of ~~Moroz~~ came to a halt.

4. During the Spring of 1960, the source and some friends set up an organization called "Pueblo Libre de Cuba, Inc.". The purpose of this organization is to raise money to finance a revolution against Castro. The following individuals are identified as being involved with "Pueblo Libre".

a. Douglas P. Null. Null is a lawyer and a partner in the law firm of Levy, Gurman, Goldberg, and Null. This firm has its principal office at 45 North Station Plaza, Great Neck (Long Island), New York (Tel.: HU-7-6010) and a branch office in Manhattan. (363 Seventh Avenue (Tel.: CH-4-6670)).

b. Mrs. Kate Taffe. Mitchell's source did not further identify Mrs. Taffe. She is, according to another source of Mitchell's, a lady who has been involved in running arms to Cuba and other such activities. The other source volunteered this information during the course of a conversation regarding other matters.

5. At about the time that "Pueblo Libre" made its appearance there also appeared on the scene an individual named Dan Wax, who represents himself as a "retired New England shoe manufacturer now living in Florida". Wax interested himself vociferously in "Pueblo Libre" and at the same time alienated Null, Taffe, and ~~Mitchell's~~ source. In consequence, the "Pueblo Libre" people have never done anything with that corporation, but have let it remain inactive. Their reason for so doing is that they don't trust Wax and do not wish to get involved with him. ~~Mitchell's~~ source stated the reason for their mistrust of Wax, ~~Mitchell's~~ source stated simply that they have no specific reason, but that they just don't wish to work with him. They don't trust him. Consequently, "Pueblo Libre" has remained a paper organization; no money has been raised through it.

6. ~~Mitchell's~~ source stated that Null and Mrs. Taffe both know Aureliano Sanchez Arango and Antonio Varona. They and ~~Mitchell's~~ source want to set up a new corporation, forgetting about "Pueblo Libre" and Wax, with a wider ostensible aim than that of "Pueblo Libre". They want the new corporation to be dedicated to the halting of the spread of Communism throughout the Western Hemisphere and they want it to have various subcommittees. The subcommittees would be geographical in nature. Thus, not surprisingly, there would be a subcommittee for Cuba.

SUBJECT: Possible Role of C.I.A. in Cuba

11. Mitchell's source told him that the Cuban revolutionaries were so desperate to remove Castro from power that they would do almost anything to do so, notwithstanding the risk of being overthrown by the United States. The source stated that the Cuban revolutionaries were determined to overthrow Castro, and that they had no qualms about using any means at their disposal to do so. The source also stated that the Cuban revolutionaries were willing to risk the possibility of being overthrown by the United States if it was necessary to do so.

12. Mitchell's source advised him that the Cuban revolutionaries wanted to make a political alliance with the United States to help them to achieve their goals. The source stated that the Cuban revolutionaries would be willing to sign a political alliance and to publicize the same alliance in terms of a press conference and subsequent publicity drives. The money, of course, would be used to finance the revolution against Castro.

13. Mitchell's source also stated that an individual whom he identified as Charles D. Reeves is putting up the money to make a political movie starring Paul Mantee, Diana Lynn, and others. The source told Mitchell that Reeves is affiliated with the American Broadcasting Company.

14. Finally, Mitchell told his source that from the outset of the entire affair he has discussed it in detail with Mr. Frank (F) O'Brien, of the Federal Bureau of Investigation, New York City. Mr. O'Brien may be reached at 1E-5-7700, Extension 202.

15. Mitchell told his source that he would submit the information and the proposition for funds and let him know the reaction. Please inquire of W.F. Garrison, FBI, (a) whether or not they are interested in financing the proposed corporation or (b) whether or not the mysterious US \$5,000 came from them in the first place. In either case, consequently, the whole thing is their property. If Alternative (a) is chosen, will the source be willing to submit the information to the FBI? If Alternative (b) is chosen, will the source be willing to submit the information to the FBI? Please advise Mitchell whether or not he would like to be present at the meeting with the FBI. Please advise John H. Mitchell, of the New Haven Resident Agent in Charge, to make the arrangements, subject to payment for his usual fee. Thank you very much.
